

e. magicians 2007

Call to participate > Chained Animation <

From 27th to 30th November 2007, in Valenciennes,

during the e.magicians 2007,

the Chained Animation will take place.

> :o) *What is it about ?!...*

The Chained Animation is the collective film of the e.magicians 2007.

It will be achieved by one or more **student(s)** (or team of students) of a school, university or european educational organisation. You will have to produce a 10-second computer graphic animation from an original imposed image.

At the end of the final, all sequences will be edited end-to-end to form a series of animations that will be screened during the **closing party of the e.magicians 2007, Friday 30th November 2007.**

Joining the happy finalists is very easy :

> ;-* *First...*

... You just have to fill in and return the duly completed coupon below.

You will then receive your « **creation package** » (also available by downloading on the web site www.e-magiciens.net) enclosing the **instructions** and the **image** which you will have to use at both ends of the animation.

> :-o *Next...*

... To sign in for the final of the **Chained Animation** :

Before 31st October 2007, you have to send a **supporting letter**, a **synopsis** and a short **graphic presentation** of your 10 second animation project.

Hardware and software (**only PC**) will be at your disposal, thanks to commercial partners.

;o) Easy, isn't it ?!

Please return the below reply coupon before 30th September 2007!

YES, I want to **take part in the 2007 Chained Animation** and receive the « **creation package** ».
